***All Illinois Firefighters can register online at
fsi.illinois.edu**

The Illinois Department of Transportation, with support of various emergency response agencies and groups, has established a statewide Traffic Incident Management Training Program.

This 4-hour course includes participants from all disciplines involved in incident management and is the first multi-disciplinary class of its kind in Illinois.

The goal is to provide responders with information and best practices that improve their safety at highway incident scenes.

This TIM training class qualifies eligible EMT-Basic, Intermediate, Paramedic, Advanced EMTs, Emergency Medical Dispatchers, First Responders, Emergency Medical Responders, and Pre-Hospital Registered Nurses for four (4) hours of Continuing Education credits. Eligible responders should notify instructor(s) upon arrival and bring your IDPH EMS license number to receive the course CE Credits.

**Starting in June of 2022 this training also meets State Mandates for Law Enforcement, Civil Rights .50 hours, Constitutional/proper use of LE Authority .50 hours, Emergency Medical Response Training and Certification 1.00 hour, Legal Updates 1 hour, Procedural Justice 1 hour, and Lead Homicide Investigator 4 hours
