The Breath Alcohol Testing Course trains police officers in the operation of evidential breath test instruments. The program presents information on the effects of alcohol on the human body, operational procedures, Vehicle and Traffic Law pertaining to DWI enforcement, and pertinent case law. Successful students will receive a Breath Alcohol Testing permit which will expire three years from the date issued.

Funding made available by the Illinois Law Enforcement Training and Standards Board, Southwestern Illinois Law Enforcement Commission, ASSIST #14 Partnership and the seven counties of Bond, Clinton, Madison, Monroe, Randolph, St. Clair and Washington. MTU 14 request for certification of this course has been approved by the Illinois Law Enforcement Training and Standards Board.
