This course will show you how to teach the *Standardized Field Sobriety Testing* course approved by the National Highway Traffic Safety Administration. You will learn the proper procedures and available options for teaching the basic SFST course.

**Prerequisite:** To attend this course, you must have successfully completed a course using the NHTSA approved *Standardized Field Sobriety Testing* curriculum and be proficient in the administration of standardized field sobriety tests.

**Topics include:**

- Basic instructor techniques
- Overview of alcohol, drugs and highway safety
- Review of Standardized Field Sobriety Tests including horizontal gaze nystagmus
- Proper procedures for conducting drinking exercises
- Practice teaching
- Curriculum revisions
