This course is a two-day training program designed to provide the knowledge, tools, and skills required for law enforcement agencies to successfully apply for federal, state, and foundation grant funding for equipment, technology, training, personnel, and more. The overall goals for the course include:

- 1) Providing participants with the requisite knowledge to write effective and winning grant applications.
- 2) Preparing students for the grant writing process by having them compile all information/data necessary to write applications and enter this information into the provided grant writing toolkit.

To pass the training, students must receive a 70% or greater on the post-test administered at the conclusion of the course.

This course is tailored to sworn and civilian law enforcement employees entrusted with grant writing responsibilities for their departments.

Funding made available by the Illinois Law Enforcement Training and Standards Board, Southwestern Illinois Law Enforcement Commission, ASSIST #14 Partnership and the seven counties of Bond, Clinton, Madison, Monroe, Randolph, St. Clair and Washington. MTU #14 request for certification of this course has been approved by the Illinois Law Enforcement Training and Standards Board.
