This one day, 8 hour course has been designed by expert practitioners from the field of evidence collection and crime scene processing for the purpose of providing law enforcement officers assigned to evidence collection and crime scene processing duties with the skills, and knowledge needed to operate their department issued camera systems for the photographic documentation of crime scene evidence.

Funding made available by the Illinois Law Enforcement Training and Standards Board, Southwestern Illinois Law Enforcement Commission, ASSIST #14 Partnership and the seven counties of Bond, Clinton, Madison, Monroe, Randolph, St. Clair and Washington. MTU 14 request for certification of this course has been approved by the Illinois Law Enforcement Training and Standards Board.
