The program has been designed for students to expose them to realistic traffic stop-related situations they may encounter while on duty. The use of force statutes and relevant Department policies will be used as a tool to evaluate students' responses to situations. The appropriate students' responses will be discussed.

Funding made available by the Illinois Law Enforcement Training and Standards Board, Southwestern Illinois Law Enforcement Commission, ASSIST #14 Partnership and the seven counties of Bond, Clinton, Madison, Monroe, Randolph, St. Clair, and Washington.
