Being a female leader in a male dominated profession has its own distinct sets of challenges and today's climate has created more unique obstacles than ever before.

Our 2-Day In-Person will focus on assisting women in becoming more effective leaders focused on relationships, organization, and community.

Female leaders have unique ideas, insight, and solutions. We will examine these qualities and offer tools to assist Current and Future Women in Command in implementing effective skills to inspire and motivate their staff with a focus on maintaining a professional, positive, and inspiring climate.

Course topics include:

- The Principles of Effective Leadership
- Leading in Today's Unique Climate
- Creating and Maintaining Effective Organizational Structure
- Leadership Qualities Unique to Women
- Learning from Successful Female Leaders
- Leading in a Male Dominated Profession
- Supervising other Females
- Building your Credibility
- Mentoring and Leading by Example
- Breaking Through the Glass Ceiling
- Self-Examination
